## ABOUT THE AUTHOR

**Kempe Ronald Hope, Sr.**, is a Senior Economic Governance Advisor with the United States Agency for International Development (USAID). He also manages the Governance and Economic Management Assistance Program (GEMAP) for the USAID, Liberia Mission. The views he expresses here are entirely private and do not necessarily represent the views of USAID or any other organization with which he is affiliated. He was previously the Director of the Development Policy and Management Division at the United Nations Economic Commission for Africa (UNECA). His books include *From Crisis to Renewal: Development Policy and Management in Africa* (Brill Publishers, 2002); *Corruption and Development in Africa: Lessons from Country Case-Studies*—with Bornwell C. Chikulo (Palgrave Macmillan, 2000); *AIDS and Development in Africa: A Social Science Perspective* (Haworth Press, 1999); *African Political Economy: Contemporary Issues in Development* (M. E. Sharpe, 1997); *Structural Adjustment, Reconstruction and Development in Africa* (Ashgate, 1997); *Development in the Third World: From Policy Failure to Policy Reform* (M. E. Sharpe, 1996).
