The Spiritual Journey of Malcolm X

How are you going to be nonviolent in Mississippi, as violent as you were in Korea?

I'm one of the 22 million black people who are the victims of Americanism....I don't see any American dream; I see an American nightmare.

You can't separate peace from freedom because no one can be at peace unless he has his freedom.

I'm a Muslim, which only means that my religion is Islam. I believe in God, the Supreme Being, the creator of the universe. This is a very simple form of religion, easy to understand.
